Project description: In roughly 500 words – on a separate sheet of paper – describe the unique characteristics of the store design, especially anything that is not apparent in the photographs. Explain why you chose the design you did.

Photography: You should submit five to eight pictures that show different views of the store. Professional photographs are recommended. Be sure to show design features that make the store unique. Depictions of people or animals are prohibited. If you are entering the Renovated categories, you must have before and after shots. Submit only digital photographs with a resolution of at least 300 dpi or better at a printing size of at least 6 inches wide.

Please sign: I hereby grant permission to *Billiards Digest* to publish photographs and a description of the following store in conjunction with the annual *Billiards Digest* Architecture and Design Competition. I also grant permission for *Billiards Digest* to display this entry in any awards ceremony, display or promotional media created to honor competition winners or to promote participation in future contests. All photographs become the property of *Billiards Digest*. Also, *Billiards Digest* reserves the right to combine categories, if necessary, as well as create additional categories to best represent the entries received. *Billiards Digest* reserves the right to refuse any entry that the editors believe does not meet the minimum design standards of the competition.
