

BILLIARDS DIGEST ARCHITECTURE AND DESIGN AWARDS

CALL FOR ENTRIES

BILLIARD ROOM OWNERS, ARCHITECTS, DESIGNERS:

Each year, the *Billiards Digest* Architecture and Design Awards recognize and encourage the design, construction and modernization of billiard facilities—both private and public—in the United States and throughout the world. Each November, *BD* showcases the most beautiful, innovative and memorable places created for playing pool. The spaces will delight, amaze and inspire.

Rooms completed after July 1, 2008, are eligible. To enter, simply complete the entry form below and send to *BD* at 122 S. Michigan, Ste. 1506, Chicago, IL 60603, attn: A&D Awards. Deadline is August 31, 2009.

Each entry must be accompanied by photographic documentation in the form of high quality prints or high-resolution digital images (jpegs or tiffs, 300 DPI or better, at printing size of at least 6 inches wide). Do not send color photocopies. We recommend the use of a professional architectural photographer. For the “renovation” category, please include “before” and “after” views.

The top 10 new commercial rooms, along with the all-around A&D winners, will be featured in the November issue of *BD*. Note: Please do not phone the *BD* offices for ‘contest updates’ during the judging process! Any attempt to influence the judges will render the entry void!
