

BEST OF SHOW

**We asked tablemakers to show us the cream
of the crop — the ritziest and glitziest
from the top of their lines.**

THE ISABELLA

Limited to a production run of just 30 tables, the Isabella by Brunswick Billiards is hand-built with the detail and craftsmanship that's only found in 18th century European collectibles. Fine features like Lapis inlays, mother-of-pearl rail sights, and exotic woods such as Karelian birch make the Isabella unique and elegant.

MSRP: \$39,999

THE JIM BEAM BLACK TABLE

The Jim Beam Black billiard table by Olhausen features American hardwood construction and customized Jim Beam rail sites and nameplate. The two-tone finish is in matte black and accented with white oak top rails — the same wood used for barrels for the aging of Jim Beam Bourbon.

MSRP: \$4,500

THE EDINBURGH

The Edinburgh by Presidential Billiards has a Bubinga wood cabinet, legs and rails carved out of solid Rhodesian Teak, and silver Celtic sights. Available in both 8- and 9-foot models, this table will be a unique addition to your castle.

MSRP: \$7,495

THE IMPERATOR

The Gabriels Hybrid Rail System, featured on the Imperator, is the latest evolution of a rail system designed specifically for high-end carom tables. The goal was to develop a rail that would be even more consistent to provide players with a perfect rebound time after time.

MSRP: \$10,995

THE WINSTON

From Legacy Billiards, the Winston possesses an enduring elegance that will last a lifetime. With exquisite burl inlays and a 1 1/2-inch American Maple cabinet, this classic is available in mahogany — both traditional or burnished — and nutmeg finishes.

MSRP: \$3,999
www.legacybilliards.com
(901) 854-1502

THE AUGUSTINE

Imperial-JS provides a table that can stand up to the most raucous of ring games. With heavy gauge metal leg supports and bolt-through bracing, the Augustine is available in mahogany and antique walnut finishes. Rails are available in solid North American maple or oak, with Italian leather pockets with cast iron cores.

MSRP: \$3,295

SANTA FE

Emphasizing a sleek design and streamlined cabinet, the two-toned Santa Fe from DLT Billiards is a modern take on the classic billiard table. Made of solid maple with extra-wide profile rails and abalone double diamond sights, this piece offers supreme quality and performance.

MSRP: \$4,699
www.dltbilliards.com
 (888) 782-2208

THE CHESAPEAKE

Featuring a 1.25" solid wood cabinet and scallop design, the Chesapeake from American Classic is a traditional beauty. The claw-and-ball foot design accents the oak top rails and inlaid diamond sights.

MSRP: \$2,995

 (651) 405-1111

THE FUSION

Aramith has created the Fusion Table, a premium dining/pool table that fuses a sleek European design with functionality. Fusion tables — featuring an Easy-Lift system, invisible stretch pockets and game cloths — will add a new dimension to any room, whether it be dining, board, rec, conference, media or game room.

MSRP: \$5,995
